CANADIAN PACIFIC IS FIRM Concession Will Be Made to Men Who Ask Higher Wages.

WINNIPEG, Man., Sept. 17 .- The Canatian Pacific management declares it will make no concessions to the 500 boiler makers and helpers who are out along the line from Fort William, Ont., to Laggan, B. C., emanding 35 cents instead of 33 cents an hour. They say the company's business has been too slack and its earnings too small to justify the expenditure of \$160,000 more a year in wages for the mechanical department. The provincial government has fixed the rate of wages and this has been ratified by the federal government.
